

INTERNSHIP VISA

OVERVIEW

This visa is aimed for foreigners who have obtained a higher education degree in the two years preceding the date of application for the authorisation or are currently pursuing studies leading to a high education degree.

For anyone carrying out an internship agreement or a training work contract.

The process must start in Spain by the host entity before the Delegación or Subdelegación del Gobierno of the province where the internship program will be developed, in order to obtain the residence Authorisation for Internships required to process the visa.

The approval of the residence Authorisation for Internships is mandatory in order to submit your visa application.

* British citizens will not require a visa for internships that are less than 3 months long, whether they are paid or unpaid, as long as the internship is within the academic subject and to the same level of qualification that is being studied or equivalent. The same applies to individuals who are exempt from the obligation of having a visa to cross the borders of the EU for short terms stays.

** A Student Visa is applicable in the following exceptional situation for internships:

- You will receive a full-time and in-person education at an authorised educational institution in Spain, and the internship takes place in Spain directly following and as part of the study programme, is unpaid, and is in your field of study (prácticas no-laborales).

SWORN TRANSLATIONS AND LEGALISATIONS

All foreign public documents must be legalized or apostilled to be valid in Spain and, where applicable, must be submitted together with an official translation into Spanish.

The Hague Apostille is a simplified procedure that has the same purpose as legalization and is applied between the States party to the Convention of 5 October 1961, which abolished the requirement to legalize foreign public documents.

- In order to obtain more information about the procedure of the Hague Apostille legalisation, you can visit the British government website in charge of this type of legalisation.
- Translations can be done by a sworn translator registered in Spain. You can find a registered sworn translator at our website:
<https://www.exteriores.gob.es/es/ServiciosAlCiudadano/Paginas/Traductores-Interpretes-Jurados.aspx>

*The document should be legalised first and then translated afterwards. The Hague Apostille does **not** need to be translated, **nor** does the translation need to be legalised. **It is only the original documents that need legalising and translating.***

DURATION OF APPLICATION

The legal period for reaching a decision is 10 days as of the day after the submission date of the application, but this period may be extended when an interview or additional documents are requested.

AFTER OBTAINING THE VISA

If your stay does not exceed 6 months, the visa will be valid for the entire stay and it will not be necessary to obtain a Foreign Identity card (TIE - Tarjeta de Identidad de Extranjero). This visa will appear as a sticker inside your passport.

If the study duration is for longer than 6 months, the visa will be valid for 90 days. This period indicated on your Visa sticker is the time you have to enter Spain and once there you must apply for a Foreigner Identity Card (TIE), at the Foreign Nationals' Office or the Police Station of the province in which the permit was processed. You can find more info on the following website:

<http://www.interior.gob.es/web/servicios-al-ciudadano/extranjeria/regimen-general/tarjeta-de-identidad-de-extranjero>

Remember: your passport needs to be stamped when you get to the border. Otherwise, the TIE could be refused and so could your legal right to stay in Spain.
